

NORTH KITSAP **FIRE & RESCUE**

NKF&R firefighters and staff are contributing \$5.00 (to a maximum of \$1,000.00) to the Kingston Fireworks Fund for every household in the district's service area that pledges to refrain from purchasing or using fireworks. From among these pledges, one family will be randomly selected to win two seats aboard our engine during this year's Fourth of July parade, followed by prime parade viewing from the deck of the Holding Lane Pub and \$50.00 in food and beverages there!

North Kitsap Fire & Rescue personnel are hoping that by supporting professionally-staged public fireworks displays and discouraging private use, the community will enjoy a safer holiday. Join them in this effort by pledging below ...
