PROPOSITION NO. 1  
(Emergency Medical Services Tax Levy)

BALLOT ISSUE EXPLANATORY STATEMENT

In 2013, the voters approved North Kitsap Fire and Rescue's six-year Emergency Medical Service (EMS) property tax levy at a rate not to exceed \$0.50 per thousand dollars of assessed valuation. The 2013 EMS levy will expire at the end of 2019 unless the voters approve this measure. If approved by the voters, this measure will authorize the renewal of the District's six-year EMS levy at a rate not to exceed \$0.50 per thousand dollars of assessed valuation.

Approval of the levy will enable the District to maintain the level of emergency medical services currently provided on a continuing basis including basic and advanced life support services by certified emergency medical technicians and paramedics.

The revenue from this levy will be used by the District exclusively for emergency medical services.

If voters approve this levy's renewal, the maximum tax per \$100,000 assessed valuation would not exceed \$50.00 per year or approximately \$4.17 per month for emergency medical services.
