### **Party Time!**

Celebrate with a party at North Kitsap Fire & Rescue's headquarters with games, station tours, and prizes!

Saturday, September 7  
10-11:30 am

26642 Miller Bay Road NE  
Kingston, WA 98346

According to the U.S. Centers for Disease Control and Prevention, preventable injuries harm more children than all other causes combined. Kitsap Regional Library and North Kitsap Fire & Rescue are working together to improve the safety of the community's children through summer reading and engaging activities in the Summer Safety Scavenger Hunt.

Children are welcome to join in anytime before the hunt ends with a celebration at the fire station for the kids and their families who've completed the activities outlined here.
